states that the Rev. Shatamanda has not received the licence under Section 9, and that it may also be treated as cancelled.

The original of the order granting the licence has been destroyed as it was only a Routine order, but the notification in the Gazette shows that the Rev. Shatamanda was granted a licence under Section 9 also. It does not seem possible at this distance of time to find out whether the licence under Sec. 9 was actually received by the licensee or not. It is rather surprising that the fact of the non-receipt of the licence should be reported for the first time to Govt. after twelve years and after the licensee had retired. The licensee should have reported the matter immediately he got the licence under Section 6 only. For orders whether the matter should be pursued or whether a notification may be issued in the Gazette revoking the licences granted under Sec. 6 & 9 to the Rev. Shatamanda In the latter view, a draft order is sent.
